REVENUE ACT

Order in Council 2632, Approved and Ordered August 11, 1977

PURSUANT to the *Revenue Act*, and upon the recommendation of the undersigned, the Lieutenant-Governor, by and with the advice and consent of the Executive Council, orders that, whereas,

- (1) titles to about 7,500 "bits and pieces" of parcels of land in the City of Vancouver (hereinafter called the "City"), acquired by the City for street purposes under instruments executed before the first day of January 1950 (hereinafter called the "instruments"), are not registered in the Land Registry Office at Vancouver;
- (2) the instruments are "filed" with the Registrar of the Vancouver Land Registration District but not "registered" and the lack of registration has led to much difficulty and great inconvenience to both the public and the Land Registry Office;
- (3) the City is prepared to apply to register the instruments but has represented that, having paid the required "filing" fees on the deposit of the instruments, to require the City to pay at this date the "registration" fees prescribed under the *Land Registry Act* would be a great hardship to the City as the benefits resulting from the registra-

tion of the unregistered instruments accrue to the general public and to the Land Registry Office as well as to the City;

- (4) registration of these unregistered instruments would remove a great public inconvenience and, accordingly, it is deemed right and conducive to the public good that the strictness of the laws relative to the collection of revenues be relaxed and that no fees be charged under the *Land Registry Act* in effecting registration of the instruments:

The fees payable under the *Land Registry Act* be remitted and that the Registrar of the Vancouver Land Registration District effect registration of the instruments without payment of these fees.

If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.
